Part 4:

A: This is my first time coming to this restaurant. The food is very cheap but the quality is excellent. I was very surprised with the starter because its menu is very diverse. but there is one thing that I want the restaurant to improve. The music was too low and it didn't make the meal atmosphere lively. Next time turn the music louder, please!

B: This is a very famous restaurant that I saw in the newspaper. Sadly, I arrived later than the rest of the party, so I didn't get to order dinner. However, I ordered orange juice and mango juice and they were both delicious. What about the surroundings? Lively music along with fashionable and appropriate decor makes me feel very comfortable.

C: I'm not sure if I will return to this restaurant. I think the staff was arguing when I got there, because the atmosphere here was not very comfortable. As for the food, I think there's nothing to write about. I ordered fish and chips, it wasn't bad, but it wasn't good either. But many people say that the food here is fabulous. So, I think I'm an exception.

D: I don't understand why this restaurant is so famous. When I arrived and saw a menu with lots of different dishes, I saw this as a bad sign. Furthermore, the menu with traditional dishes contrasting with the modern decoration style made me feel very confused and strange. The staff here are also not friendly.
