Question 4 of 5

PART 4: PLANS FOR A NEW STATION.

A: I see too many people who do not arrange a good time to travel to work, they often arrive at work late. I always think in advance about what time I will get to work tomorrow and what means of transport I will use.

B: Buses are often full of people, especially during rush hour. This makes me very uncomfortable when I have to travel to work by bus. The public transportation improvement plan proposed by the city is very reasonable and it will improve the above situation a lot.

C: In my opinion, the bus is very clean and comfortable to travel. I find it has a lot of space for everyone, and the bus system is also very large. Therefore, I think improving the public transport system is unnecessary, while the old system is still good.

D: Building a new public transportation system will be very costly. and we all know it's at the expense of residents. I think we should use that money for something more beneficial, which is building more hospitals. Hospitals in this living area are very few.

- 1. Who thinks transport system doesn't need improving? C
- 2. Who thinks better medical facilities are needed? D
- 3. Who thinks people should plan their journeys better?? A
- 4. Who thinks the bus is too busy? B
