But for me, this was still a great experience because I got to see many old houses

Carla: The sharp bends of the island made me abandon the idea of renting a car because it was very dangerous. I decided to take the bus. It was also much cheaper. However, the bus routes are quite few, and there are many time constraints. We toured the neighbourhoods on foot. I loved this experience because I could see many beautiful sights.

Deniz: There's a lot of food here, and I spend most of my time eating. I can't recommend any of the dishes because they are all very impressive. If you want to cook for yourself, you will have to take the bus to the market. Don't forget to visit the street market because they sell a lot of cool local products.
